

```
std::hash< std::pair  
< TA, TB > >::operator()
```

The diagram consists of two rectangular boxes connected by a dark blue arrow pointing from left to right. The left box has a light gray background and a black border, containing the C++ code snippet 'std::hash< std::pair< TA, TB > >::operator()'. The right box has a white background and a black border, containing the text 'hash_combine'.

hash_combine
