

SearchNode::get_state

```
graph LR; A[SearchNode::get_state] --> B[StateRegistry::lookup_state]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text "SearchNode::get_state". A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "StateRegistry::lookup_state" on the top line and "_state" on the bottom line. Both boxes have a black border.

StateRegistry::lookup
_state
