

HMHeuristic::compute  
\_heuristic

```
graph LR; A[HMHeuristic::compute_heuristic] --> B[test_goal]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'HMHeuristic::compute' on the top line and '\_heuristic' on the bottom line. The right box is white with a black border and contains the text 'test\_goal'. A dark blue arrow points from the right side of the left box to the left side of the right box.
